

# Do you...

- ✓ live in the Worcestershire Area?
- ✓ have a spare room?
- ✓ want to help make a difference to a young person's life?

SHYPP are launching a supported Lodgings Scheme through Worcestershire County Council. The scheme is being developed to help young people; particularly those leaving the care system aged 16-21 who might be made homeless as a result of family breakdown.

The project is seeking hosts who can provide a supportive and encouraging environment and have a genuine interest in helping young people to make the most of their skills and abilities.

There will be a weekly payment provided to the host to go towards the support given to young people and costs of providing a room.

If you think you have what it takes to become a Supported Lodgings Provider and would like more information please contact Melanie Turner at SHYPP,
